Take control of your pension today!

Your pension to-do list.

We all know saving into a workplace pension is important. Here are some small steps you can take today, to help you take control of your future.

1 REGISTER AND LOG IN TO PLANVIEWER

- It's quick and easy to activate your account.
- You'll need your **Fidelity reference** and your National Insurance number.

2 CHECK YOUR CONTACT DETAILS ARE UP TO DATE

- It's important to let us know when your contact details change. You can do this in **PlanViewer**.
- Simply go to 'My profile' then 'Personal information.'

3 NOMINATE YOUR BENEFICIARIES

- Tell us who you'd like to receive your pension savings when you die.
- Simply log in to **PlanViewer**, go to 'Manage my plan' then 'Update beneficiaries.'

4 CHECK YOUR SELECTED RETIREMENT AGE

- Check your retirement age to make sure it reflects your current retirement goals and plans.
- In **PlanViewer** go to 'My profile' then 'Personal information.'

5 KNOW WHERE YOU'RE INVESTED

- Understand how your pension works and check where you're invested.
- You can see how much you have saved and where you're invested in **PlanViewer**.
